SARIM KHAN

Java Developer | Full Stack Developer | Java | Spring Boot | React.js | MySQL

Noida, Uttar Pradesh | 7618831828 | khansarim797@gmail.com | linkedin.com/in/sarim-khan-29135423a

SUMMARY

B.Tech Computer Science graduate with hands-on experience in Java, Spring Boot, React.js, JavaScript, MySQL, and REST APIs. Developed full-stack web applications with responsive user interfaces and backend services. Strong foundation in object-oriented programming, database management, problem-solving, and Git. Seeking an entry-level Java/Full Stack Developer role.

EDUCATION

High School (10th) 04/2018 - 03/2019

Paul International School, Lakhimpur, UP

Intermediate (12th) 04/2020 - 03/2021

Paul International School, Lakhimpur, UP

B.Tech in Computer Science and Engineering (CSE) 08/2022 - 06/2026

Babu Banarsi Das University, Lucknow, UP

SKILLS

Languages: Java, JavaScript, Python, SQL

Frontend: HTML5, CSS3, React.js, Tailwind CSS

Backend: Spring Boot, REST APIs

Database: MySQL

Tools: Git, GitHub, Postman, VS Code, IntelliJ IDEA, Eclipse

Concepts: OOPs, JDBC Connectivity, DBMS, Data Structures & Algorithms

PROJECTS

Expense Tracker Java, JDBC, MySQL, React.js, HTML, CSS

- Developed an Expense Tracker to manage and monitor personal income and expenses.
- Implemented features to add, edit, delete, search, and filter transactions.
- Integrated Java JDBC with MySQL for persistent transaction data management.
- Implemented automatic calculation of total income, expenses, and remaining balance.
- Designed a responsive user interface using React.js, HTML, and CSS.

Bank Management System Java, MySQL

- Developed a console-based Bank Management System using Core Java and MySQL to manage customer accounts and banking operations.
- Implemented functionalities including account creation, deposit, withdrawal, balance inquiry, and transaction management.
- Used JDBC to connect Java with MySQL for storing and retrieving customer and transaction data.
- Implemented input validation and exception handling to ensure reliable transaction processing.
- Applied Object-Oriented Programming (OOP) concepts to structure the application and manage account-related operations.

COURSES

Full Stack Development 06/2025 - 07/2025

GRAStech, Lucknow, India

LANGUAGES

English: Proficient **Hindi:** Proficient
